  Contact filters, Cherryvale, Kan. 747
  Experiment station of the Massachusetts Institute of Technology...... 653
  Testing apparatus, Mount Vernon, N. Y 331
  Testing station, Chicago, Ill.......... 367
Sewers, Standard cross-section of a 10-ft. sewer, Kansas City, Mo........... 95
Sewer-sections, Paris 148
Scherl monorail car 99
Scows, Tremie scow used on Detroit River Tunnel 318
Scrapers, Four wheel scraper for excavation and grading 592
Seepage losses in California streams, Diagram of 450
Shipping terminals 235
Shoes, Anchor span of cantilever bridge, Beaver, Pa 511
Sidewalk sheds 397
Sidewalks, Chicago 194
Sierra Nevada Mountains 449
Signals, Advance repeating lamp........ 280
Siphon, Reinforced-concrete, Spain...... 203
Slide-rule, for concrete design 150
Sluice-gates of Charles River Basin dam. 616
Snow, Wm. W 540
Snyder, Hiram 574
Spillway, Paxton creek flood controlling works 198
Splice, Wooden roof truss............... 290
Splice clamp for reinforced-concrete bars 89
Standpipe and water-tower, Oak Forest, Ill 340
Stadia rods 202, 483
Starting lever, oil engine 31
Statically indeterminate frames 608
St. Louis, dock 240
Steamboats:
  Stern wheel river boats for the Missouri River 512
  Fire boat "Duwamish," Seattle, Wash. 717
Steam engines, Interborough Rapid Transit Co. plant 292
Steam turbines. (See turbines.)
Steamship with corrugated hull......... 701
Steam shovel, hauling by gasoline traction engines 77
Steel barge for Ohio and Mississippi Rivers 684
Steel gangway for mines 221
Steel shells for concrete piles.......... 118
Stillwell, L. B.......................... †73
Stone crushers, Disk crusher patented by E. B. Symonds 622
Stone crusher, portable 509
Stop log winch for dam................. 744
Street crown 759
Street lights, Lamp standards for the business streets of St. Louis....... 16
Substation, Tacoma, Wash., Nisqually power plant 307
Subway, Paris, during flood 329
Superheater for locomotive 91, 92
Superheaters, Locomotive steam superheaters used on the Atchison, Topeka and Santa Fe Ry.........634, 638
Surveying field notes 408
Surveying instruments, Tunnel cross-sectioning instrument 250

T.

Tamping bar 126
Tape reel 151
Tapering concrete chimney, Muncie, Ind. 32
Testing machines, arch model tests..... 274
Testing machine for area of contact between car wheels and rails........ 155
Tests:
  Model arches 274
  Model I-beams 20
Theater, San Francisco, Cal., Construction details 722
Theodolites, Special, for primary traverse work, Bronx, New York City...... 587
Ties, concrete and combination.......... 204
Tile and concrete floor 708
Timber preservation, Plant of the Eppinger & Russell Co., Jacksonville, Fla 545
Timber trestles, Norfolk & Southern Ry. 454
Track, Ballasting 129
"Transpherage" system for loading and unloading vessels 240
Transits, Special, for primary traverse work, Bronx, New York City....... 587
Traveler on the Belly River viaduct.... 209
Tremie scow used on Detroit River tunnel 318
Trestles, Norfolk & Southern Ry........ 455
Trigonometer, home-made, for scaling latitudes and departures 408
Trucks, Steel coal-car 35
Trusses:
  Cantilever truss, building construction. 294
  Elevated-railway 100 ft. truss 710
  Hoboken street railway terminal...... 475
  Roof trusses of 22d Regiment Armory, New York 520
Tunnels:
  Cross-sectioning instrument 250
  Sections of Detroit River tunnel....... 318
  Standard cross-sections 649
Tunnels: (Continued.)
  Water intake tunnels, Electric power plant, St. Louis 670
Turbines:
  Blades, runners and buckets 21
  Compressors for air 66
  Fall increasers 219
  Impulse turbines. (See Water Wheels.)
  Steam turbine speed reducing gear.... 412
  Steam turbines 292
Turntable, A. T. & St. Fe Ry. for Mallet locomotives 734

V.

Valves:
  Anderson water pressure reducing valve with electrical quick-opening attachment 531
  Diaphragms and cages for valves of Milwaukee pumping engine 121
  Double disk gate valve with special device to prevent sticking........... 565
  16-in. balanced float valve............ 425
Vaporizer cap for oil engine............ 31
Viaducts:
  Belly River, Lethbridge, Alberta...... 209
  France, Paris & Orleans Ry.......... 430
  Mulberry St., Harrisburg, Pa......... 38

W.

Wachusett reservoir, Metropolitan Water Supply, Boston 417
Warships, "Florida" launching.......... 598
Water filters:
  Mechanical pressure filter............. 426
  Slow sand 422
Water purification:
  Hypochlorite disinfecting plant, Minneapolis, Minn 391
  Hypochlorite disinfecting plant at Montreal, Que. 392
  Mechanical pressure filter 426
  Ozone sterilizers 490
  Slow sand filters, Reading, Pa 422
Water tower, Oak Forest, Ill............ 340
Water wheels:
  Design of impulse-wheel wheels....... 165
  Impulse-wheel, bucket details......... 523
Weir, Concrete, Yakima River, Wash.... 481
Wells, Intake, for power plant, St. Louis 670
Westinghouse, George .... †73
